RacCoin Whitepaper

Version 1.0 | Published 2025

Introduction

RacCoin (RAC) is a decentralized cryptocurrency launched on the Binance Smart Chain (BSC) that champions stealth, agility, and cosmic-level ambition. Inspired by the resourcefulness and cunning of raccoons, RacCoin aims to disrupt the status quo of DeFi with a space-themed ecosystem designed to empower a community of "RACstronauts."

Mission Statement

To build a playful, community-driven, and utility-rich decentralized economy that embraces the thrill of exploration, the power of technology, and the spirit of raccoons.
